We proudly offer our new '**Build-a-Menu**'.
Have your food, your way!

All our food is freshly prepared to order on our premises.

Our pizzas are hand-stretched, stone-baked and topped with home-made sauce and a selection of fresh toppings, including lashings of our own mozzarella and cheddar blend.

Our Beef Burgers are home-made, chunky, 6oz patties, made only from beef, chopped onion, salt and pepper and Halloumi Burgers are cooked with our own special, crispy coating.

We make our own delicious coleslaw, created with fresh ingredients and a creamy mayonnaise.
